

County Transportation Services Inventory

The purpose of this worksheet is to provide information on the transportation services provided in each county by program, kind of vehicle including accessibility, ride schedules, and funding sources to identify gaps in service, vehicles, ride availability, etc. IF you cannot attend the county planning meeting, please complete this worksheet and return it to the individual who invited you to the meeting. If you are attending the meeting bring a completed copy so a master list of this information can be compiled. Each transportation provider in the county completes this worksheet. Thanks!
